Letter from the President

Spring is here and there is freshness in the air. I really enjoy this time of year, especially after the winter we just went through. The world becomes alive again and I think the club is becoming alive with new members. Remember to welcome our newest ones. Sit somewhere different at the next meeting. Enjoy this time of year and try something new. I would like to see different people setup and ask to do something new this year.

THINK ABOUT IT!!!

Lion Thad
